OPTIONAL TRIP CANCELLATION INSURANCE AND CANCELLATION PENALTIES

Dear Parents,

Thank you for allowing Flamingo Educational Tours to participate in the planning of this wonderful trip for your child.

We would like to offer you optional cancellation insurance. This insurance covers **unexpected illness** of your child at time of trip departure or death of an immediate family member, preventing your child from being able to go on the trip **as well as other unforeseen events**.

If you would like to enroll your child in this optional protection plan, please contact Assurance Solutions directly by going to www.ProtectMyTrip.net or by calling 1-502-762-9185.

Student Travel Protection Program

The Student Travel Protection Program has been designed to provide your traveling young person with the necessary coverage to safeguard your travel "investment" and your child from unforeseen circumstances. This plan also provides emergency medical coverage, emergency medical evacuation as well as other necessary travel protection benefits

Student Travel Protection Plan Cost

The cost for the Student Protection Program is affordable. To figure your premium cost, simply multiply the cost of your trip by a rate factor of .0396. For example: a trip with the cost of \$1,000 would be \$39.60 (\$1,000 x .0396). Your trip cost can include any "nonrefundable money"; this can include entry fees, meals, airfare, hotel, etc.

To help you decide, our **Cancellation Penalties** are as follows:

Initial Deposit	Non-Refundable	
Cancelled	60-30 days prior	50% of the total price per person
Cancelled	29-15 days prior	75% of the total price per person
Cancelled	Within 14 days of departure	100% Non-Refundable

To receive the maximum coverage, Enrollment should be within 14 days of paying the initial deposit and will cover a pre/existing condition.

Enrollment cannot be done until after the initial deposit has been paid.
